

Virtual Holiday Party DRINKING GAME

Holiday parties are taking a turn for the virtual in 2020. But that doesn't mean they should be any less fun... for you, at least! Check out the rules below, be responsible and have a great time!

Cheers to 2021, friends!

TAKE A SIP IF YOU HEAR SOMEONE SAY:

"Can you see me?"
"Your camera isn't on."
"Who's typing?"

"Your microphone isn't on."
"You're on mute."
"Can you hear me?"

TAKE A SHOT IF:

A dog starts barking
A doorbell rings
You see kids wandering in the background
A video freezes on an awkward expression

Someone brings up virtual learning
Someone brings up Cobra Kai
Someone brings up "the vaccine"
Someone brings up Dr. Fauci

FINISH YOUR DRINK IF:

Someone's background is the Starship Enterprise
Someone falls asleep on camera

Someone admits to being braless
Someone admits to being pantless
